**Q**-I need verification of my license sent to another state. How do I get the Board to complete this?

**A**-If you are in need of written verification of licensure, you may submit a written request for verification along with **any form to be completed** (this would come from the state you are applying for licensure) and payment of \$4.00 (**per verification**) in the form of personal check, business check, money order, or certified check payable to NCSWCLB. Regrettably, we do not have credit card capability at this time and your request and fee will need to be submitted by mail. Checks may be made payable to NCSWCLB.
